Customer Problem Statement :

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	I am: A student who frequently purchases academic books online	Search for books, compare prices, read reviews, purchase books conveniently from home.	Existing websites often have limited search options, poor navigation, and complicated checkout processes.	Finding the required books and completing purchases takes more time than expected.	Frustrated and dissatisfied with the online shopping experience.
PS-2	A bookstore administrator responsible for managing books and customer orders.	Maintain inventory, update book details, and process customer orders efficiently.	Manual management is time-consuming, error-prone, and difficult to track.	There is no centralized system to automate inventory and order management.	Overloaded and less productive while managing bookstore operations.
